MR. H. A. GILLIES (WOKING), WHO BEAT MR. HALEY.

Above we picture the last eight players left in the amateur championship at Hoylake. The company only included one Overseas player, Mr. Nettlefold, the twenty-one-year-old Australian champion. Mr. Haley, the American who defeated Mr. Tolley, was knocked out by Mr. Gillies, the old Cambridge Rowing Blue, in a great match in the fifth round, which went to the last green. Mr. Roger Wethered throughout the championship exhibited his "genius for winning," even when playing badly, for he managed to time his flashes of true brilliancy just at the critical moment. The semi-finalists were Messrs. Landale, Wethered, Jobson, and Dr. Tweddle.
